FOREWORD

All the Tulips, Hyacinths, Crocus and other small bulbs are imported by us direct from the best Holland growers. All our Daffodils and other Narcissi are Oregon grown.

All varieties offered have been selected with utmost care, and descriptions are carefully checked for accuracy. A number of new and unusual varieties are offered herewith, and we hope you will try some of these.

*TERMS OF SALE

All bulb and grass seed orders amounting to \$2.00 or more will be delivered at prices quoted to any point within the 3rd postal zone from Dayton. Bulbs will not be shipped C. O. D. Please send your check or money order with all mail orders. We sell 6 or more bulbs of a variety at the dozen rate: 50 or more of a variety at the 100 rate.

GUARANTEE

We guarantee all bulbs we sell to be true to variety name, and in healthy condition when delivered to the customer. All complaints concerning quality or condition of bulbs, to be considered, must be filed within 5 days after receipt of merchandise.

HERALDS OF SPRING

CHIONODOXA (Glory-of-the-Snow)—Charming little star-shaped flowers, borne in clusters. Sky-blue in color, with lighter centers. Doz. 50c; 100 \$3.75.

CROCUS—This is one of the better known of the early blooming "Heralds of Spring". Fine for either 'drift' or group plantings in the lawn, or for clumps in the border or rock garden. Cheery, bright colors. (Order by color.) Light blue, dark blue, yellow, white, striped or mixed colors. Doz. 50c; 100 \$3.75.

ERANTHIS (Winter Aconite)—Bright little yellow flowers; the first to open in the Spring. Doz. 30c; 100 \$2.25.

GALANTHUS (Snowdrops)—Little snowy-white bells, announcing the arrival of Spring. Doz. 50c; 100 \$3.75.

GRAPE HYACINTHS (Muscari)—Charming little spring-blooming flowers, appearing like a cluster of tiny grapes. Perfectly hardy. Order by color. Dark blue, light blue and white. Doz. 45c; 100 \$3.25.

SCILLA CAMPANULATA—Lovely bell-shaped flowers, borne on 12 inch spikes, appearing in early May. Do not object to partial shade. White, blue or pink. Doz. 50c; 100 \$3.75.

How To Grow Hyacinths In Water

Store large sized bulbs in a temperature of not over 60 until December 1st or later. Set bulbs on Hyacinth Glasses filled with water to just touch the bulb. Replace water as it evaporates. Place in a cool dark closet or basement until bud is about 4 inches above bulb. Then place in living room temperature to bring into bloom.

HYACINTH GLASSES

Available again! We have been successful in obtaining a limited number of these special glasses for growing hyacinths in the home. An excellent gift item for flower lovers, especially if accompanied by the hyacinth bulbs. Colors: Light blue, and crystal. Ea. 50c; doz. \$5.50.

PEONIES

(Available Only On Order)

All roots furnished in good quality 3 to 5-eye divisions, freshly dug on receipt of your order. Minimum order, \$2.00. Best planting time—the month of September. Eyes should be covered two inches deep.
